

## Mike Nefkens

*Chief Executive Officer - HERE Technologies*

**Mike Nefkens** is the Chief Executive Officer of the world's leading location data and technology platform, HERE Technologies.

Mr. Nefkens joined HERE as CEO in January 2024 and has overall responsibility for leading HERE's business, strategic direction, people, and customer ecosystem ahead.

He brings a proven track-record of executive leadership, enabling business growth and creating value.

Nefkens possesses over three decades of international experience and industry leadership across technology, IT, software, cloud services, IOT, and automotive. This includes serving as President and CEO of Resideo Technologies (a Honeywell spinoff) responsible for \$5B Global P&L and 13,500 employees. Nefkens worked for many years at Hewlett-Packard, most notably as President (EVP) of HP Enterprise Services responsible for \$20 billion P&L and 110,000 employees and led the successful merger of HPE Services into DXC Technology. Recently, he has served as a Senior Advisor and CEO Coach at Boston Consulting Group.

Previously, Nefkens has held various leadership roles at EDS (an HP company) including managing major accounts for General Motors, ABN AMRO, and the Delphi Group. Prior to that, he worked for Brenntag (formerly Holland Chemical International) in the United States, Europe, and South America.

Mr. Nefkens holds an MBA from Duke University and a BBA Finance from the Texas Christian University. He currently sits on the Boards of Coalfire and Loram Maintenance of Way.
